Aspiring Scholars 2016

Interested in studying at the University of Melbourne?

The Aspiring Scholars program is a unique opportunity for high achieving Year 12 students outside of Victoria who aspire to study at the University of Melbourne. Selected students will have the chance to meet others around the country who share their ambition, will be connected with a mentor at Melbourne and participate in a range of activities to increase their knowledge of tertiary life, particularly at Melbourne.

You will also have the opportunity to win a bursary to attend the University’s Open Day on 21 August 2016 in Melbourne.

Benefits of the program

- Connection to a network of like-minded students in your state or territory and around the country
- A current student mentor who is a Chancellor’s Scholar at the University of Melbourne and has moved from interstate to study. Your mentor can share their experiences of moving interstate to study, answer any questions you may have throughout the year, and give you regular updates on life in Melbourne
- An invitation to attend a University of Melbourne networking event in your state or territory
- An invitation to attend a one on one course advice consultation with University of Melbourne staff in your state or territory, in Melbourne or via Skype, live chat or phone
- Participation in a number of activities through an online network, which will enable you to gain insight into university life and assist you in preparing to make the move interstate for study

Students with a genuine interest in pursuing tertiary studies at the University of Melbourne are invited to apply. You should have strong academic results, be willing to participate in a number of activities throughout the year, and be able to demonstrate your suitability for the program in your application. Please note that your application will be assessed based on your responses to the online application questions and that places are limited to 3 students per school.

Applications
