

# LAMINGTON ORDER FORM

This year Lamingtons are available for order through the Nance 2 and Dean 5 Tutor Groups, prior to the College Fair on **Friday, March 1**.

Lamingtons are a great idea for school lunches, afternoon teas, or desserts (sliced with jam and cream) and are able to be frozen and thawed quickly and conveniently.

Lamingtons may be ordered by the dozen and are available at **\$8.50 per dozen**. Please note no half dozen orders can be taken.

If you wish to purchase lamingtons, please complete the form below and return it to your child's class teacher at the Elphin Campus or to Student Reception at the Middle or Senior School by **Wednesday 20 February**, with correct payment enclosed in an envelope. On the envelope please mark Lamington order form and your child's name, class teacher (or tutor teacher for MS and SS students).

Lamingtons will be delivered to your child's class teacher on **Friday 1 March** at the Elphin Campus. Parents of students in the Early Learning Centre can collect lamingtons from the Junior School Office any time after lunch on **Friday 1 March**. Middle School and Senior School students/parents can collect at Recess time (10:25am) from Briggs House Dining Room. We will endeavour to distribute remaining lamingtons in Period 5 that day.

Thank you for your ongoing support of this fundraising activity.

With thanks,
