

SCOTCH OAKBURN COLLEGE

study abroad program

Discover Australian school life in safe and beautiful Tasmania

Study, belong and grow at Scotch Oakburn College

Scotch Oakburn College welcomes international students who are seeking a safe, supportive and enriching Australian school experience.

Located in Launceston, Tasmania, the College offers students the opportunity to experience daily life in a leading Australian independent school while developing confidence, independence, English communication skills and lifelong friendships.

Students are welcomed into the life of the College. They participate in classes, co-curricular opportunities, outdoor education experiences, boarding life and the broader school community.

This is more than a study trip. It is an opportunity to learn, belong and grow in one of Australia's most unique and naturally beautiful places.

Why Tasmania?

Tasmania is a safe, welcoming and a naturally beautiful place to study

With clean air, open spaces, friendly communities and easy access to nature, Tasmania offers international students a calm and supportive environment for learning, wellbeing and personal growth.

In Launceston, students can experience Australian school life in a regional city that feels connected, safe and easy to settle into.

At Scotch Oakburn College, students experience more than an education. They experience Tasmania — a place to learn, belong and grow.

Study Options

Program	Length	Best suited to	Main focus

Term 1	February – April	February – April
Term 2	May – June	May – June
Term 3	July – September	July – September
Term 4	October – December	October – December

Why Scotch Oakburn?

Safe and welcoming

For many families, safety and wellbeing are central to choosing an overseas school experience.

Scotch Oakburn provides a caring and structured environment where students are known, supported and encouraged.

Real Australian school life

Students are not separated into a tourist-style program. They are welcomed into mainstream school life, studying alongside Australian students and experiencing the rhythm of an independent Australian school.

Boarding and belonging

Boarding is a key part of the Study Abroad experience.

Students share meals, study routines, activities and daily life with other students. This helps them build friendships, practise English and develop independence in a supportive environment.

Supportive English entry

Students do not need advanced English to begin.

The College welcomes students with emerging English skills, provided they are willing to participate, try new experiences and engage respectfully in College life.

Care and wellbeing

Students are supported by a caring network of staff across the College.

Support may include boarding staff care, teacher guidance, pastoral care, wellbeing support, English language support where appropriate, and communication with parents or agents.

Choosing the right program

One Term is ideal for students seeking a first meaningful Australian school experience.

One Semester is ideal for students who want more time to settle, build friendships and grow in confidence.

One Year is ideal for students seeking the most complete experience, with stronger English growth and possible future pathway opportunities.

A message for families

Choosing an overseas school experience is a significant decision.

At Scotch Oakburn College, students are welcomed into a safe, caring and supportive school community. Whether they stay for one term, one semester or one full year, students are encouraged to try new things, build friendships, improve their English and grow in confidence.

This is more than a study trip. It is an opportunity to belong, grow and see the world differently.
